We take care of the essentials

We break social isolation

We support youth development

We build caring communities

Centraide Laurentides financially supports 24 agencies that meet people's basic needs, such as for food, clothing and housing, to help them become self-sufficient.

Centraide Laurentides supports 10 agencies that help those who are excluded and isolated reconnect with life and people.

All young people should be able to eat three meals a day as well as gain confidence to overcome life's challenges. Centraide Laurentides lets 12 agencies offer help and tools to young people so that they can develop their potential.

Centraide Laurentides works with regional partners and community agencies to develop a common vision of priority actions to reduce poverty.

Thanks to your donations, more than 65,000 people received assistance directly in 2023.

Centraide Laurentides has the means to ensure the active participation of everyone in the community regardless of age, gender, background or abilities. Your donation allows us to show our local love and leave no one behind.
